Hi Cindy,

That information is correct. The 503-557-1324 is the main line, if you want to add my direct line as well, it's 503-588-4486. Thank you, I appreciate being added.

Thanks!

Megan

Megan,

Thank you for your message. I've added you to my email list for Portland Harbor updates. My earlier contact information has that you are a field representative and that a phone number for you is 503-557-1324. Is that information current, or should I delete it?

Hello.

This email is to update you on the schedule for the Portland Harbor Superfund Site.

EPA expects to announce the delivery date for the Feasibility Study and the Proposed Plan by the week of May 23rd. Data synthesis and electronic document preparation have continued to pose challenges, but those challenges are being met and we look forward to delivering both documents shortly thereafter.

With my regards,

Cindy Colgate Schuster
